

INFORMED CONSENT FOR ELECTRONIC DELIVERY OF SHAREHOLDER DOCUMENTS

Last Updated: May 7, 2025

This disclosure and informed consent applies to any and all notices and other communications for those products and services offered via the WisdomTree Prime mobile application (the “App”) in connection with your transactions in mutual funds offered by affiliates of WisdomTree whose shares are secondarily recorded – or digitized – on one or more blockchains (“Digital Funds”), to the extent they are not otherwise governed by the terms of a separate disclosure and informed consent.

By agreeing to electronic delivery, you are providing your informed consent to electronic delivery of any and all notices and communications including transaction history and statements, trade confirmations, applicable tax forms, shareholder materials, regulatory information and communications (including Digital Fund prospectuses; prospectus supplements; quarterly, semi-annual and annual reports; proxy materials; GLBA privacy notices and any updates thereto), and other information, documents, data and records concerning your transactions in Digital Funds. Such notices and communications are deemed to constitute good and effective delivery to you when sent by us electronically via the App or other electronic means (e.g., email), whether or not actually or timely received or accessed, unless we receive actual notice to the contrary (by rejected email delivery notice or the like).

By providing your consent to receive electronic delivery, you confirm that you have the ability to access the App, and the ability open, view, save, retain and print (to the extent applicable) notices and communications as described above. These abilities demonstrate that you can receive the notices and communications we deliver to you by electronic means.

Your continued use of the App will indicate your consent to electronic delivery of any and all notices and communications mentioned herein, including the terms and conditions set forth in this informed consent as may be updated from time to time and posted in the App.

Should you experience any difficulty opening a document electronically delivered by us, you will promptly notify us in order to allow us to make the required delivery or otherwise amend delivery. Failure to advise us of such difficulty within five (5) days after delivery shall serve as affirmation that you were able to receive and open the document. It is your responsibility to review all confirmations, statements, notices and other communications delivered to you electronically. You also agree to maintain a valid email address while using the App. If your email address changes, you agree to notify us of your new email address immediately in writing (for example, by submitting a completed change of email address or editing your personal details electronically via the App).

You hereby agree to have carefully read the above information regarding informed consent and fully understand the implications thereof.
